

AIDS Ride Wisconsin 2020: ACT 18

Dear _____,

This summer, I am joining in the fight against HIV/AIDS by participating in AIDS Ride Wisconsin and I need your help.

For 17 years, AIDS Ride Wisconsin has been raising critical funds to support people living with HIV and AIDS in Wisconsin. These funds help provide medical, dental and behavioral health care, as well as social services such as food pantries, legal support, housing assistance and more. In fact, people living with HIV in Wisconsin live longer than anywhere else in the nation thanks to these programs and services, which you make possible.

However, the fight is far from over. Sadly, six out of ten young people with HIV don't even know they have the disease. Also, HIV patients are disproportionately affected by poverty and their inability to pay for routine care. Currently, 92% of patients of Vivent Health, the beneficiary of the ride, live below the poverty level.

Your help makes a difference. Please make a pledge today. Each donation means people living with HIV in Wisconsin will continue to access life-saving care and medications. Your donation will also support comprehensive prevention efforts to stop the spread of AIDS. It's as simple as completing the form below or going online to donate.

My goal is to raise \$_____. Visit aidsridewis.org to pledge me online or complete the information below and return it to me. You may enclose your check or credit card information, made payable to AIDS Ride Wisconsin.

Thank you for your support and for moving us closer to an HIV/AIDS-free generation!
